

WHAT is Project Graduation?

A COVID-safe, late-night, drug and alcohol-free celebration (think food, music, dancing, photos, inflatables, magicians, casino games, prizes, and more).

WHO is Project Graduation for?

ALL graduating seniors in the Chapel Hill/Carrboro City School district are invited to attend. ALL Chapel Hill and Carrboro community members are asked to support this long-standing tradition.

WHERE is Project Graduation happening?

This year's event is IN PERSON at UNC-Chapel Hill's student union (a.k.a. Carolina Union).

WHEN is Project Graduation 2022?

The celebration begins at 11pm on June 11 and ends at 4am on June 12, 2022.

WHY is Project Graduation important?

It provides a safe, fun, equitable way for all graduating seniors to celebrate. Our community has recorded zero fatalities on graduation night since Project Graduation began in 1992. It is a great way for the larger community to support students who have lost so much due to COVID.

HOW can I help Project Graduation be a success?

Every Chapel Hill/Carrboro community member can help:

- DONATE! Visit us online to make a quick and easy tax deductible donation via PayPal.
- VOLUNTEER! Email us and we will assign you to a committee and/or a shift at the event.
- SPREAD THE WORD! Become an event sponsor by emailing our Fundraising Chair at xenatc@gmail.com. Print a few fliers and take them to local businesses and ask for their support. Forward this flier to your neighborhood list serv. Ask your employer to sponsor the event or to match your donation.
